## INFO for 2 hour Come Have A Shot – non-exclusive group sessions

**Session Duration:** 2 hours **arrive 30 minutes before start of session**

**Hosts:** Suzy Balogh Olympic & Commonwealth Gold Medallist and Hitting Targets Staff

*It isn't just about the shooting with Hitting Targets – but the whole experience – we ensure a fun and exhilarating session that really gets you firing!*

**Venue:** Hitting Targets is held at **Cecil Park Clay Target Club**, Sydney- this is Sydney's premier Clay Target Range as it boasts the facilities used for the Sydney 2000 Olympics. Coming from the M7 take the Elizabeth Drive exit, travel 2.8 km, the turn off for the complex is on the left. (You will see the Blue Sydney 2000 signs to the "Shooting Centre"). Or coming from the West travel down Mamre Rd from the M4 until you reach the end (roundabout) and turn left. Travel 2.1 km and you will see the same "Shooting Centre" signs, turn right. In [Google Maps](#) put **"Cecil Park Clay Target Club"**

**Our Guarantee:** Hitting Targets ensures that you will have the very best clay target experience available! A great selection of quality competition firearms and excellent coaching. We have got the Hitting Targets formula right – come and experience it!

**Range and Targets:** A special exclusive range is set up to ensure maximum fun and variety. Targets are shot from safety frames (singles, pairs). Targets will be set to cater for all ability levels. **No limit on the amount of targets shot over the session** – why limit it? We don't want to stop you just when you are getting good at it! For a group of 10-20 over a 2 hour session a group usually shoots between 40-60 targets per person. The more motivated, organised and enthusiastic the group the more they shoot!

**Photography:** We will endeavour to take images of each shooter actually shooting and group photographs these will then be placed in a secure album on [google.picasa.com](http://google.picasa.com) or Hitting Targets' Facebook page for free downloading.

**Equipment supplied:** Hearing and eye protection, ammunition, safety cages, use of firearms and padded shooting jackets are all supplied. Temporary licensing and temporary club membership is also included. We have a wide range of quality 12 gauge shotguns and 20 gauge and 28 gauge (much lower recoil and weight) competition 'under and over' shotguns (Perazzi, Beretta, Miroku, Browning, Gamba, Armed) to suit all sizes, including petite women, small 12 year olds and even those tough guys with injuries.

**Clothing:** Wear enclosed shoes (no heels, no thongs, and no sandals), hat, sunscreen, sunglasses or spectacles, we suggest wearing a short sleeved shirt without a collar, singlets are not recommended and women try not to wear a bra with any clips or metal on the front of the shoulder, or long earrings or large necklaces. Dress for the outdoor conditions -

we continue in wind and rain and also hot weather. We do however stop for hail, electrical storms and simply disgusting weather.

**Catering:** Water will be available throughout the session.
